Certificate No. 406)

Case No. MP-2001-42

Under Article XI, Section 7(g), of the Compact and Commission Regulation No. 58-02, a carrier's certificate of authority is deemed invalid and automatically suspended upon failure to maintain an effective insurance certificate on file with the Commission. The primary coverage insurance certificate on file for respondent was cancelled effective February 7, 2001, and has not been replaced. Certificate of Authority No. 406, therefore, is invalid and suspended.

In addition, respondent has neither paid the \$100 annual fee for 2001, as required by Article IV, Section 4(a), Regulation No. 67 and Order No. 3601, nor filed an annual report for 2000, as required by Article XII, Section 1(a), Regulation No. 60-01 as amended by Order No. 4174, and Commission letter dated December 31, 2000.

Finally, respondent's contract tariff expired September 30, 1998, leaving respondent without any rates on file with the Commission as required by Article XI, Section 14 and Regulation No. 55.

Pursuant to Article XI, Section 10(c), of the Compact, respondent shall have thirty days to file an effective insurance certificate, pay the annual fee of \$100 for 2001, submit an annual report for 2000 and file an effective tariff, or show cause why Certificate No. 406 should not be revoked.

THEREFORE, IT IS ORDERED:

1. That respondent is hereby directed to cease and desist from conducting transportation subject to the Compact, unless and until otherwise ordered by the Commission.

2. That respondent shall within thirty days file an effective certificate of insurance, pay an annual fee of \$100, submit an annual report for 2000 and file an effective tariff, or show good cause why its certificate of authority should not be revoked.

3. That respondent may file within 15 days from the date of this order a request for oral hearing, specifying the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
